

# **The Basic Skills Transition Program – A Foundation for Success in Figure Skating**

The goal of the Basic Skills is to ensure that beginning skaters acquire and develop the skating and presentation skills needed to develop as a full member in the USFS.

San Diego Figure Skating Communications is all about sharing of ideas, projects and techniques to help all students achieve their skating goals.

## **The Basic Skills Initiative Mission Statement -**

Ensure that Basic Skills Students have access to venues that will help them achieve their figure skating goals:

- Programs
- Classes
- Testing
- Competition

## **Basic Skill Initiative Five Year Goals -**

- Establish and refine a basic skills programs at ice skating facilities.
- Develop successful programs of early intervention & sustained attention for Basic Skills Students.
- Train faculty and staff on successful techniques to help basic skills students achieve their figure skating goals.
- Support existing ISI group class programs and develop additional workshops that focus on helping basic skills students be more successful in their figure skating goals.
